January 18, 1936

Herring-Hall-Marvin Safe Co.
Grand Boulevard
Hamilton, Ohio

Sirs:

Reference is made to your letter of Dec. 17,
submitting certain material samples for consideration in
connection with your contract for the above-named building.

APPROVED: For quality

5 Ply Steel Plate
6"x6"x2"
(Crucible Steel Co.)
Non-Burnable Casting
2"x4"x6"
(Buckeye Mfg. & Foundry Co.)
Non-slip Plates
5"x5"x3/8"
12"x12"x12"
(Inland Steel Co.)

You are requested to submit samples of metal
finish for consideration. Gun metal is desired
for outside of doors etc., and French gray for
day gates, vestibule, etc.

A copy of this letter, together with approved samples,
is being forwarded to the construction engineer.

cc:DE

cc:Proj. M.

By direction of the Supervising Engineer.

Respectfully,

PAC:at

Assistant Superintendent of Project Management.
